

Preparing for your Corporate Team Building Event

Volunteering at the JK Community Farm doesn't require any previous farming experience as our staff will train you along the way! Here are some things to determine and share with us before your event:

**Number of Volunteers:**

The JK Community Farm can accommodate up to 80 people at a time.

**Travel Time and Directions:**

The JK Community Farm address is **35516 Paxson Road, Purcellville, VA 20132**. The farm is located on the corner of Paxson Road & Airmont Road with the entrance on Airmont. You will see new fencing, the sign, and the gate. Please follow these instructions. There is a paved parking lot for buses and cars.

Facilities: There is a restroom on site.

Lunch and Snacks: If your group is joining us for lunch, we have a list of wonderful caterers. Please bring garbage bags to carry your lunch waste out with you.

Programming Costs: The JK Community Farm requests a donation based on group size. All donations are tax deductible.
